Re: Al Ummah Community Center et al. v. Teaneck et al.,
Civ. No.: 20-cv-14181 (CCC)(AME)

Dear Judge Espinosa,

I represent the Plaintiffs and write with consent of opposing counsel to advise the Court of an update. Counsel for Teaneck and I have been working diligently on resolving this matter. To that end, we have arrived on an agreement in principle on the monetary aspect of a potential settlement. The parties are now working in earnest on the structure of the settlement and the equitable/injunctive claims.

In light of the foregoing, the parties respectfully submit that (1) the scheduled settlement conference is not required at this time, (2) the settlement conference should be adjourned *sine die*, and (3) the Court should schedule a telephone status conference 30 days out. The parties may need the Court's assistance should issues arise on structure of the settlement and resolutions of the equitable/injunctive claims. In that case, the parties will contact the Court to request assistance.

We thank the Court for its attention to this matter.

Respectfully submitted,
s/Aymen A. Aboushi
